## **PRODUCT DESCRIPTION**

Guedel Airways are a critical item for any advanced trauma response to keep airways clear of obstruction when providing advanced first response treatment.

Guedel Airways are available in a range of sizes which must be appropriately matched to the patient to ensure a correct fit. Colours help with ease of recognition of a suitable size. Each airway is individually packaged for best hygiene practice.

Guedel Airway #0 is colour black, and is 60mm in diameter.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
