PRODUCT DESCRIPTION

The AeroCase range of softpacks have been specifically designed to meet the needs that exist within the first aid industry. These bags are ideal for portable usage and where space is limited.

A large blue trauma carry bag with reflective tape, carry handles, multiple pockets and a main compartment with dividers.

Please note that this item is not designed for IVR or Inhalo units.

Also available in red ([ABLR02](#)).

Also available in a larger trauma backpack ([ABLR03](#)).

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.

Blue Trauma First Aid Bag
