PRODUCT DESCRIPTION

Discover the AeroForm Cohesive Gauze Bandage, designed for gentle and effective wound care. This bandage offers a combination of comfort and functionality, making it an ideal choice for sensitive skin.

Key Features:

Self-Adhesive Technology:

AeroForm's cohesive material sticks to itself, not to your skin or hair, making removal easier. It ensures secure adhesion without the need for clips or fasteners and is suitable for sensitive skin.

Breathable and Lightweight:

Made from premium lightweight gauze fabric, this bandage allows for excellent breathability and comfort during prolonged wear, to maintain skin health.

Latex-Free:

Safe for all skin types, AeroForm bandages are latex-free, minimising the risk of allergic reactions and making them suitable for the most sensitive skin.

The 5-metre length is designed to provide ample coverage for larger wounds or limbs, offering flexibility and ease of use. AeroForm Cohesive Gauze Bandage is designed with your comfort and care in mind.

Available in a 2.5cm x 2m length to suit small to medium wounds and limb injuries.

AEROFORM COHESIVE GAUZE BANDAGE 2.5CM X 5M 2PK
