

## AEROPLAST PLASTIC STANDARD STRIP 7.2 X 1.9CM ENV/10

AP1011

### **ADDITIONAL INFORMATION**

Weight 0.009 kg

**Dimensions**  $0.05 \times 8.6 \times 9.5 \text{ cm}$ 

Carton Qty 1440

**Pricing Unit** Env/10

**Size** 7.2cm x 1.9cm

Min Order Qty 30

**ARTG ID** 159198 **GMDN Code** 44990

Medical Device Class 1s

**UNSPSC** 42311546

**Tax Schedule** Taxable

Item Length 7.2

**Item Width** 1.9

**Item Measurement Unit** cm

**Is Medical Device** Yes

**Is Serialized Item** No

**Is Dangerous Good** No

Shelf Life (Months) 60

### **PRODUCT DESCRIPTION**

The AEROPLAST Plastic range of adhesive plasters and bandages is designed to offer superior wound care solutions for everyday needs. These washproof and hypoallergenic bandages are crafted to provide comfort and protection for minor wounds, making them ideal for general applications. The innovative SupaSorb Wound Pad technology ensures excellent wound management by efficiently absorbing exudates, thereby reducing the frequency of dressing changes. This feature keeps the wound clean and comfortable, while the non-adherent film minimizes pain and trauma during dressing changes.

Equipped with the exclusive SupaBond adhesive, these bandages guarantee secure and lasting adhesion, preventing lift-up or edge curling, even in challenging conditions. The AEROPLAST Plastic bandages are made from materials that are both air permeable and conforming, allowing them to bend, stretch, and adapt to various shapes and forms. This ensures that the skin and wound can breathe as they heal, promoting a more comfortable recovery process.

# AEROPLAST PLASTIC STANDARD STRIP 7.2 X 1.9CM ENV/10

**AP1011** 

These bandages are latex-free, making them suitable for individuals with latex sensitivities. Manufactured to the highest standards, AEROPLAST Plastic bandages meet the needs of both medical professionals and everyday users. Whether you're a healthcare provider, a first aid trainer, or a family looking for reliable wound care solutions, the AEROPLAST Plastic range offers the protection and comfort you need. Trust in the quality and performance of these bandages to keep wounds protected and promote healing.

The AEROPLAST Plastic Standard Strip 7.2 x 1.9cm bandages are designed for everyday use, providing reliable protection for minor wounds. These washproof and hypoallergenic bandages feature the innovative SupaSorb Wound Pad technology, ensuring excellent absorption and reducing the need for frequent dressing changes. With the exclusive SupaBond adhesive, these bandages stay securely in place, offering peace of mind for users. The air permeable and conforming materials allow the skin to breathe and the bandage to move with the body, ensuring comfort and flexibility.

Packaged in a convenient envelope of 10, these AEROPLAST Plastic Standard Strip bandages are perfect for on-the-go wound care. The compact size makes them easy to store in a first aid kit or bag, ensuring you have reliable protection whenever needed. Ideal for minor cuts and abrasions, these bandages offer superior absorption and secure adhesion, making them a practical choice for everyday use.

#### Contraindications and Precautions

Change dressing daily or more often according to the condition of the wound. As with all adhesive products apply and remove carefully from sensitive or fragile skin. Seek medical advice immediately for all serious wounds and burns. If redness or discomfort occurs, discontinue use and consult a physician.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
