UNSPSC	42311552
Tax Schedule	Taxable
Is Serialized Item	No
Is Dangerous Good	No
Shelf Life (Months)	36

PRODUCT DESCRIPTION

AeroTape Waterproof Adhesive Fixation tape is a strong, durable tape that is designed specifically for use in wet or damp environments. Made from a waterproof, medical-grade adhesive designed to securely fixate bandages, IVs, tubing, and other medical devices to the skin. The tape is also easy to tear and apply, perfect for a wide range of applications. While being gentle on even the most sensitive skin, it can be easily removed without causing irritation or pain. AeroTape Waterproof is ideal for use in a variety of settings, including hospitals, clinics, and home healthcare environments.

The 5cm x 5m tape provides added adhesion when securing larger bandages.
