PRODUCT DESCRIPTION

AEROWIPE Alcohol-Free Cleansing Wipes are expertly designed to provide superior skin hygiene and cleanliness. These wipes are infused with an aqueous solution containing 1% cetrimide BP W/V and 0.02% Chlorhexidine BP W/V, ensuring effective cleansing of cuts and grazes. They are specifically formulated to soothe and clean minor wounds, playing a crucial role in infection prevention by removing dirt and bacteria from the skin's surface. The alcohol-free composition eliminates the discomfort of fumes and stinging sensations, making them ideal for sensitive skin and frequent use.

These wipes are a non-sterile device, consisting of an absorbent fabric pre-soaked in the cleansing solution, intended for cleaning a localized body surface before a procedure or device application. Commonly known as wet wipes, they are available over-the-counter, making them accessible for both home and healthcare facility use. Each wipe is designed for single-use, ensuring hygiene and convenience.

Packaged in a convenient box of 100, each wipe measures 200mm x 100mm, providing ample coverage for effective cleaning. The compact packaging is designed to fit seamlessly into first aid kits, ensuring these essential wipes are always on hand when needed.

AEROWIPE ALCOHOL-FREE CLEANSING WIPES BOX/100

AW8100

Whether for personal use, in a professional healthcare setting, or as part of a first aid kit, these wipes are an indispensable tool for maintaining cleanliness and preventing infection.

AEROWIPE is synonymous with quality and reliability, trusted by healthcare professionals and individuals alike. The alcohol-free formulation not only enhances user comfort but also broadens the scope of application, making it suitable for a wider range of skin types and conditions. These wipes are an essential component of any first aid kit, providing a quick and effective solution for maintaining skin hygiene and cleanliness.

The AEROWIPE Alcohol-Free Cleansing Wipes, with each wipe measuring 200mm x 100mm, provide ample coverage for effective cleaning. The generous size ensures thorough cleansing of cuts and grazes, making them a practical choice for any first aid kit. The compact packaging allows for easy storage and accessibility, ensuring these essential wipes are always on hand when needed.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
