PRODUCT DESCRIPTION

Introducing the AEROWIPE Alcohol-Free Cleansing Wipes, an essential addition to any first aid kit. These wipes are expertly designed to provide a gentle yet effective solution for maintaining skin hygiene and cleanliness. Made from high-quality absorbent fabric, each wipe is pre-soaked in a carefully formulated aqueous solution containing 1% cetrimide BP W/V and 0.02% Chlorhexidine BP W/V. This unique blend ensures thorough cleansing while being kind to the skin, making them suitable for a wide range of applications.

One of the key advantages of these wipes is their alcohol-free composition, which eliminates the discomfort of stinging sensations and harsh fumes often associated with alcohol-based products. This makes them particularly suitable for individuals with sensitive skin, as well as for cleaning cuts, grazes, and other minor wounds. By helping to prevent infections and promote faster healing, AEROWIPE wipes offer peace of mind and reliable care.

Designed as non-sterile, single-use devices, these wipes are intended for cleaning localized body surfaces before medical procedures or device applications. They are also perfect for everyday skin hygiene, providing a convenient and effective way to keep skin clean and healthy. Available over-the-counter, AEROWIPE Alcohol-Free Cleansing Wipes are a practical choice for anyone seeking a dependable
