#### **PRODUCT DESCRIPTION**

The AeroWound Wound Dressings are a general purpose wound dressing for use in preventing infection and controlling bleeding. Available in sizes to suit wounds from finger injuries to large wounds.

## **Highly Absorbent**

• Highly absorbent wound pad controls bleeding and absorbs wound exudates

# AEROWOUND #13 WOUND DRESSING 8 X 10CM BAG/12

AWD13S

#### Low adherent

• Special low adherent coating minimizes wound trauma associated with changing dressings

## Individually packed and sterile

• Dressings are available individually on demand in an easy tear wrapper and sterile for wound cleanliness.

### **Ease of application**

• The wound pad is attached to a wrapping leader of gauze bandage making the dressing simple to apply, yet comfortable and secure for all general wound dressing.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
