PRODUCT DESCRIPTION

The AeroWound Wound Dressings are a general purpose wound dressing for use in preventing infection and controlling bleeding. Available in sizes to suit wounds from finger injuries to large wounds.

Highly Absorbent

- Highly absorbent wound pad controls bleeding and absorbs wound exudates

AEROWOUND #14 WOUND DRESSING 12 X 12CM BAG/12

AWD14S

Low adherent

- Special low adherent coating minimizes wound trauma associated with changing dressings

Individually packed and sterile

- Dressings are available individually on demand in an easy tear wrapper and sterile for wound cleanliness.

Ease of application

- The wound pad is attached to a wrapping leader of gauze bandage making the dressing simple to apply, yet comfortable and secure for all general wound dressing.

Wound Dressing #14 Small
