PRODUCT DESCRIPTION

Ben Nye's Stage Blood offers a realistic simulation of fresh blood, ideal for trauma simulations. This corn-syrup based liquid is vibrant red, ensuring high realism in training scenarios.

- Quick and easy application: Suitable for use around the mouth and on all types of materials, including skin and clothing.
- User-friendly: Features a peppermint flavor for comfort when used in the mouth.
- **Easy cleanup**: Washes off skin and most fabrics with soapy water.

Technical Specification:

- Volume: 240mL
- Color: Vivid Red
- Ingredients: Corn syrup base, FDA approved colours, peppermint flavour

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
