PRODUCT DESCRIPTION

The Cardiac CC-90 Alarmed Outdoor Cabinet provides a compact and secure cabinet for storage of most AEDs. Designed for confined spaces, with its compact size the cabinet also provides clear visibility of the AED with a transparent polycarbonate door that includes AED signage for easy identification in emergencies. Defending against the weather, the CC-90 provides weatherproof protection against dust, rain, cold, rust and humidity with an IP rating of IP54. The CC-90 is suitable for use with the Cardiac Cabinet Stand for versatile mounting options.

The CC-90s Yellow design enhances visibility making it an ideal choice for AEDs located in the public and accessible to anyone. This cabinet ensures that life-saving Automated External Defibrillators (AEDs) are easily accessible, promoting rapid response.

IP Rating: IP54

CARDIACT Alarmed Outdoor AED Cabinet
