PRODUCT DESCRIPTION

The CardiAct CC-90 Alarmed Outdoor Cabinet provides a compact and secure cabinet for storage of most AEDs. Designed for confined spaces, with its compact size the cabinet also provides clear visibility of the AED with a transparent polycarbonate door that includes ANZCOR approved signage for easy identification in emergencies.

Defending against the weather, the CC-90 provides weatherproof protection against dust, rain, cold, rust and humidity with an IP rating of IP54.

The CC-90 is suitable for use with the CardiAct Cabinet Stand for versatile mounting options.

IP Rating: IP54

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
