PRODUCT DESCRIPTION

The green cotton terylene carry sheet is a compact and convenient carry sheet suitable for a range of actions for fast patient recovery. This product is highly suitable for public emergency with its key attributes being flexibility and strength. The carry sheet folds to a small package; yet has 8 strong carry handles for patient handling.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.

Green Cotton Carry Sheet Terylene
