## **PRODUCT DESCRIPTION**

The AeroCase range of softpacks have been specifically designed to meet the needs that exist within the first aid industry. These bags are ideal for portable usage and where space is limited.

The BP001R backpack is a good size backpack for standard first aid situations such as in schools and places where a full size trauma kit aren't required.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
