## PRODUCT DESCRIPTION

The AeroCase range of softpacks have been specifically designed to meet the needs that exist within the first aid industry. These bags are ideal for portable usage and where space is limited.

### ABLR03

The ABLR03 is a durable, red trauma backpack designed for emergency responders. It features reflective tape for visibility in low-light conditions, comfortable carry handles, and multiple pockets for storing essential equipment. The main compartment has modular dividers for organization and the capacity to hold a size C oxygen cylinder.

Perfect for Oxygen Kits and more, this multipurpose bag is an everyday winner.

Also available in a smaller trauma case ([ABLR02](#)).
