## PRODUCT DESCRIPTION

TraumaWear has been specifically designed for use where trainers do not have the time or ability to provide intricate moulage and allow easy/quick application and removal of wounds or injuries that can be enhanced realistically & quickly using Stage Blood or Fresh Scab. A variety of wounds & injuries are available, including the option for bleeding capability via inbuilt tubing to pump or syringe, plus 11 Skin Colours.

- Wearable wound with bleeding tube
- 20ml Syringe
- User guide
